Kha'p'o Community School
Chromebook Use Agreement

A Chromebook computer will be provided to every student registered at Kha'p'o Community School as a means to provide flexible learning opportunities at school and home. This agreement provides guidelines and information about expectations for students who are receiving devices. The use of school provided technology requires students to follow all policies related to the **Acceptable Use of Technology Agreement**. Our expectation is students will responsibly use school technology and network resources, while keeping their devices safe, secure and in good working order. The Chromebook or any other technology is on loan and property of KCS.

The parent and the student agrees to the following:

1. Use of the Chromebook is for school-related purposes only. Use for personal purposes is prohibited at all times.
2. Use of the Chromebook is not private and may be viewed and monitored by the school at any time.
3. We accept liability and financial responsibility for the return or the replacement cost of the Chromebook ($300) and charger ($25) should any damage occur while in our possession.
4. We understand that the Chromebook is on loan and is the property of Kha'p'o Community School.
5. The Chromebook will be returned by Friday, June 4, 2021. If an earlier return is needed I will contact my child's teacher to make arrangements.
6. If the student transfers/withdraws from KCS the Chromebook must be returned prior to their date of withdrawal.
7. Failure to return the same Chromebook and charger issued will result in the student being charged for the Chromebook ($300) and charger ($25). KCS may also file a report of stolen property and all academic records will be withheld.

By signing this agreement, you agree to abide by the conditions listed above and assume responsibility for the care and proper use of KCS technology. Violations of the above may result in loss of privileges of access to technology, the internet or other electronic media. Any student's misuse of school resources will be subject to disciplinary action outlined in the KCS Parent/Student Handbook.
