

## **FACE Center-based Participation Agreement Program Year 2021-2022**

Active Parent engagement is what makes FACE unique among educational programs serving young children. In the Center-based FACE component, parents and other adult family members participate in the following:

- Parent and Child Together (PACT) Time
- Parent Time
- Adult Education

Families learn and practice skills, they become actively involved in the classrooms and schools their children attend. Families exercise their leadership by assisting the FACE program, the school, and the community to promote and celebrate family learning, Native languages and culture, and the strengths of their communities.

### **By enrolling in FACE Center-based, we ask that you:**

- Commit to ensuring your child attends four days a week, if your child is going to be absent or tardy, contact Center-based teachers as soon as possible.
- Commit to active and consistent parent engagement which includes PACT Time and Parent Time. You may pick one of the following:

\_\_\_ Full-time adult student - Participates in PACT Time and Parent Time in  
FACE classrooms four days a week.

\_\_\_ Part-time adult student - Participates in PACT Time and Parent Time in  
FACE classrooms 1-3 times a week.

### **We (Early Childhood Educators) agree to:**

- Provide a warm and welcoming environment where you and your child feel safe, secure, and valued.
- Provide active hands-on learning using FACE Early Childhood Standards and CIRCLES: A Culturally Appropriate Preschool Curriculum for American Indian Children.

- Support you in any needs you and your family may have.

**I have read, understand, and agree to the above.**
