## 2021/2022 SY Health Packet

Dear Parents/Guardians,

At Kha'p'o Community School, students are fortunate to have a School Health Office that provides them care when they get sick, injured, or for any other health issue. To ensure that the students are provided the best care here at KCS, we do require the School Health Packet to be completed by the parent(s) or legal guardian(s).

Immunization requirements need to be met for your child(ren) to begin their first day of school. KCS requires students receive the following immunizations:

- **DTP/DTap/TD (tetanus, diphtheria, pertussis) vaccine**  
The new rule states that a booster dose of tetanus, diphtheria, pertussis (Tdap) is required for all students attending school. One dose required on/after 4th birthday. 4 doses sufficient if the last dose given on or after 4th birthday. This change was made to help reduce the incidence of whooping cough (pertussis) among children. In recent years, New Mexico, as well as the rest of the United States, has seen an increase in the number of whooping cough cases. By giving your children a booster of Tdap, they will receive protection against this deadly disease for the years to come. So if it has been five years since your child received a tetanus-containing vaccine, he/she will need a dose of Tdap.
- **Varicella vaccine**  
K-2nd grade, Proof of Immunity is receipt of vaccine, titer or laboratory-confirmed diagnosis of prior disease. For all newly diagnosed Varicella cases, laboratory confirmation of disease is required. 2 doses of varicella vaccine required for all students K-10th, and recommended for all students grades 11th-12th.
- **Polio (OPV/IPV) vaccine**  
3 doses are sufficient if last dose was given on or after 4th birthday.
- **Hepatitis B vaccine**  
Two doses Adult Recombivax HB is also valid if administered at ages 11-15 years and if 2nd dose received no sooner than 16 weeks after 1st dose.

As you are completing the forms, please make sure you

- Sign and date each form
- Check front and back of each form
- Submit copy of immunization (Required to be submitted at the beginning of each school year)
- Doctor's note must be submitted for ALL allergies: food, insects, medication, etc (Required to be submitted at the beginning of each school year)
- Note: Doctor's Dietary Documentation is required for Food Allergies for the Kitchen Staff to order special milk or food.
- If applicable, submit medical history (allergy, medication, restrictions, etc.) (Required to be submitted at the beginning of each school year)
